Newark N.J.

Dear Friend:

After talking to you on the telephone this morning it occurred to me you might enjoy coming out to see one of our ballgames. The one that is most colorful, and the time when we invite the city officials, is opening day. I would love to have you come, and in fact bring some of the folks from the prosecutors office.

The game is being played Sunday May 16, at Ruppert Stadium, and the ceremonies start about 1.30 PM.

If you can find it possible to attend let me know, also how many you want to bring with you. I would really enjoy having you.

Very Truly Yours
